CHRISTMAS CELEBRATION

Christmas, a day that emphasizes the joy of giving was observed on 23rd December, amidst the chimes of the bells and the hymns of the carols. The children rejoiced singing carols and decorating their class-rooms. The message of spreading compassion, love and happiness was given by the teachers on the occasion.

Math Day at 'The Pupil'- 22 Dec 2015

The birthday of the Indian Mathematical genius Srinivasa Ramanujan has been observed as the National Mathematics Day in our country. To commemorate the occasion we had organized a plethora of activities to enhance the arithmetic skills of the children and to remove the phobia attached to the subject. While the fourth graders were given Kakuro, a Japanese crossword puzzle, the ninth graders took the onus of hosting a presentation

on the life and works of eminent mathematicians. The highlight of the day was the quiz conducted by the tenth graders to their juniors in classes V, VI, VII and VIII. The campus was vibrant with interesting facts and figures echoing the significance of the day.

Admissions Open

The whole purpose of education is to turn mirrors into windows...

- Sydney Harris

And that is our objective too...

Admission enquiries solicited for the academic year 2016-2017 for all classes.
